PUBLIC NOTICE TO ALL WATER CUSTOMERS OF TOWN OF SHELBY SANITARY DISTRICT NO. 2

The Town of Shelby Sanitary District No. 2 has filed an application with the Public Service Commission of Wisconsin (PSCW) to increase water rates. The increase is necessary to cover increased operating expenses which include the maintenance of an aging plant system and compliance with DNR mandates and updates. The last full water rate case was in 2002.

The total increase in water revenues requested is \$27,599 which will result in an estimated overall rate increase of 22% over the water utility's present revenues. If the request is granted, the water bill for an average residential customer with a $\frac{5}{8}$ -inch or $\frac{3}{4}$ -inch meter who uses 18,000 gallons of water per quarter will increase from \$68.89 to \$77.10, or 12%.

A telephonic public hearing on the application has been scheduled for Wednesday, June 1, 2011, at 10:00 a.m. in the Board Room of the Town of Shelby Town Hall, 2800 Ward Avenue, La Crosse, Wisconsin. Scheduling questions regarding this hearing may be directed to the PSCW at (608) 266-3766.

If you have any questions, please contact the Town of Shelby Sanitary District No. 2 at (608) 788-1032.
