CURBSIDE TRASH

Trash will be picked up weekly, Tuesday and Wednesday. Please look at the map on page 3 to see your day of collection. Residents living on streets north of Ward Avenue, including Pleasant Valley Estates and Coachlite Village, and subdivisions accessed off of Hwy 33, will be picked up on Tuesday. Those living south of Ward Avenue, including La Crosse Mobile Home Court, the Cliffside Drive & Easter Road areas, Boschert Subdivision and Hanifl Road will be picked up on Wednesday.

CART Collection System:

Residents are required to use the cart provided to you by the Town for trash collection. These will be the ONLY containers that are picked up. If you move, the Cart & Recycling bin remains with the residence. Carts have a 10 year warranty from the manufacturer. If they lose a wheel, the lid comes off, or other "normal" repair, the cart will be repaired or exchanged by Hilltopper. There is no cost to the resident for these types of "normal" repairs.

Please do not mark or spray paint your garbage can. You can add a luggage tag or zip tie to the handle to mark your address on it.

Please use the wheels on the carts to move them, rather than drag the can across the pavement wearing down the bottom of your cart.

Additional Trash:

Trash set beside your cart, put out in bags or a can, will NOT be collected. You can wait and put the extra trash in the cart for the next collection, or make other arrangements. Some options include: hauling it yourself to the La Crosse County Landfill or to Hilltopper for a small fee, or purchasing stickers from the Town for curbside collection. These stickers are to be used on the handle of the bag (where bag is tied shut) and set out with your cart. Only one sticker per bag, no cans will be collected. This is for occasional extra trash. You can purchase these stickers directly from the Town. It is \$15 for 5 tags. If you continually have more trash than fits in your cart and you need an additional cart, contact Hilltopper at 783-6727 and make arrangements to have an additional cart delivered. There is an additional annual charge for the second cart. You will be billed directly by Hilltopper.

Placement of Carts:

Place carts at least 3 feet away from obstacles including but not limited to: other carts, recycling bins, mailboxes, power poles, etc. Place carts within 2 feet of the surfaced edge of the road with the wheels facing away from the road. Carts should be set out by 5 am on collection day. Empty carts must be removed from the roadside by 5 pm the day following collection.

Trash unacceptable to place in cart:

Do not put grass, leaves, brush, recyclables, electronics, computer components, demolition or construction materials in the cart. See below for information on disposal of these items.

If your garbage or recycling is not picked up, please contact Hilltopper Refuse & Recycling immediately at 783-6727.

Large Item Dropoff (Yellow Box on calendar)

Large metal items, household items such as furniture, carpeting (up to 1 room), appliances, TVs, computers, and tires may be dropped off at the Shelby Annex parking lot on the Large Item collection days marked on the calendar opposite. Charges to cover the cost of recycling large items that are banned from landfills will be posted at the site. Please note:

- Recycling of TVs, computers, monitors, and printers is required. The Town of Shelby is a state-certified e-waste collector. We charge a nominal fee to cover the cost of handling and recycling e-waste. However, The Town will hold a FREE E-Waste EVENT on Wednesday, January 6th, 2016 from 6am to 3pm for residents to dispose of broken or obsolete electronic items AT NO CHARGE. If there is a snowstorm that day, the town will select an alternate day for the event on January 14th, 2016 from 6 am to 3 pm.

- If you want to dispose of material, including large items, e-waste, appliances and other recyclables, construction and demolition debris take a load to Hilltopper Refuse or La Crosse County Landfill. Your load will be weighed and you will be charged a nominal fee for disposal of the materials. See Contact Information listed below for the addresses and phone numbers to contact both of them.

Large item dropoff is for items too large for regular curb service and is not intended for large quantities of smaller debris. 25% of the materials brought to the Large Item Drop Off should have been disposed of with the regular weekly curbside collection. If items fit in the trash cart or can be broken down to fit, they should be placed in the cart, especially if they are burnable, as trash is sent to Xcel Energy's waste facility and is burned to produce electricity. Items that should be placed in the trash cart but are brought to Large Item Drop Off will be turned away, because items placed in the dumpsters go to the La Crosse County Landfill where the Town is charged an additional disposal fee. You must use a commercial refuse/recycling service to dispose of construction and demolition debris.

Unacceptable Trash in Weekly Collection

Construction, demolition, or commercial materials Items include: roofing materials, bath tubs, shower enclosures, windows, sheet rock, brick, concrete, asphalt, and kitchen cabinets. Please contact Hilltopper Refuse & Recycling (783-6727) for details on how to dispose of these items.

Hazardous materials Paint, cleaners, solvents, gasoline, oil, or other toxic, corrosive, explosive, or highly combustible materials may not be placed in the regular trash. Refer to the front page to see which hazardous materials are accepted at the La Crosse County Household Hazardous Materials Site. If in question, call the facility for a recommendation at 608-785-9999.

Animal waste Please contact Hilltopper Refuse & Recycling (783-6727) for details on how to dispose of these items.

Yard Waste, Leaves, and Grass Clippings

Leaves, grass clippings, garden and flower bed debris may be placed in the concrete bunker in the Shelby Annex parking lot at 2801 Ward Avenue from April through November 15th. (Note: When purchasing a new lawn mower, consider a mulching mower and leave grass clippings on the lawn.)

Brush & Campfire Burn Permits

You must obtain a permit to burn brush or for campfires outside of a campground. FREE permit applications are available online at www.townofshelby.com on the fire department page or at the Town Hall. Burning garbage or leaves is illegal and hazardous to the environment. Violators will be issued a citation. Brush permits are for one time use. Fire ring permits are valid anytime, once you have an approved fire ring permit you do not have to re-apply each year as long as the owner, the address, and location of pit stay the same. If the smoke from your fire is bothering your neighbors and is reported the Fire Dept. will have to extinguish the fire.

Brush (Orange on calendar)

Brush and tree limbs up to 8 inches in diameter should be placed curbside with the larger end facing the street. Brush should be placed loosely and in smaller piles rather than one large pile. It does not have to be cut into short lengths. Brush will not be picked up unless you are on the "brush list." To be placed on the brush list, e-mail gloria.johnson@townofshelby.com or call 788-1032 ext. 3 by Tuesday of the week the Town crew is chipping brush.

See calendar for brush pickup schedule. Note that brush will NOT be picked up during the winter.

Trees and limbs larger than 8 inches in diameter or brush amounts larger than one pickup load (6 ft x 4 ft x 4 ft) will not be chipped by the town crew. You must contract with a tree service at your own expense. Brush chipping is a service to the residents and is to be used on an occasional basis only. It is not for larger properties with many trees to use on a constant basis. Properties repeatedly using this service will be notified that their brush will not be picked up and chipped. You may consider applying for a permit to burn brush if you have adequate space and a water supply.

Christmas Trees and Wreaths (Green on calendar)

Place curbside with trash. The town will pick up these items starting Friday Jan. 4th - Friday Jan. 15th. The last day the Town will pick up these trees is Friday, 1/15/16. Please keep on top of snow pile.

Place glass, tin cans, aluminum cans, plastic, and cartons together loosely in recycling bin.

CORRUGATED CARDBOARD

It is now mandatory to recycle corrugated cardboard. Corrugated cardboard should be broken down and bundled in squares no larger than 4-ft X 4-ft and placed on top of or next to the recycling bin. Keep dry. If rain or snow is predicted, wait until the next recycling week to put out. Do not bring to large item. (Corrugated cardboard has two outer layers and a wavy inner layer. Do not confuse corrugated cardboard with soda and beer cartons, cereal boxes, etc. These should be placed in the trash.)

NEWSPAPERS/MAGAZINES

Newspapers (including shiny inserts) and magazines should be placed on top of or beside the recycling bin. Phone books are also acceptable but not mandatory. Keep dry. If snow or rain is predicted, wait until the next recycling week to put out.

Bundle newspapers, magazines and cardboard with cotton string or place in a brown paper grocery bag or cardboard box and place beside your blue recycling bin.

Trash Pick-up

Trash is on Tuesday and Wednesday, according to the color-coded areas on the map at right and the calendar below. When a holiday falls on one of these days, collection will be delayed for one day. Trash is taken to the Xcel Energy Refuse Derived Fuel Plant on French Island and is converted to electricity.

Recycling Pick-up

Collection takes place every other week on the same day as refuse collection. See the 2016 Refuse and Recycling Calendar below. Place recyclables for pickup beside your regular refuse at least 3 feet apart from your refuse cart and within 2 feet of the surfaced edge of the road, by 5 am on collection day.

Recycling Bins

If you move, the blue recycling bin should be left at the Shelby residence for the subsequent owner. New or replacement bins may be purchased at the Town Hall for a fee of \$11.00. If you built a new home in the Town of Shelby, the fee for your recycling bin was included with your building permit. Please stop by the Town Hall to pickup your bin. The Town will be going to single stream recycling using carts like the garbage beginning April 1st 2016. Watch town website and newsletter for further details. Recycling carts will be gray with yellow lids.
