Virtual Tours of Complex

Beautiful and picturesque aren't words that you would normally use to describe a landfill, but the La Crosse County waste disposal complex fits this description. We are a WDNR Green Tier certified facility and are proud of our reputation. We take our commitment to superior environmental performance seriously. Some of our many partners include: Gundersen Health System, Xcel Energy, Scouts, WisCorps, Outdoor Recreation Alliance, and the North American Squirrel Association. If you'd like to see the landfill and all it has to offer, please view our virtual tour video at <https://player.vimeo.com/video/480079272> and visit our website for additional educational videos.

For missed pick ups of trash or recycling, please call your waste hauler or municipality.

2 2022 Town of Shelby Guidelines for Refuse & Recycling

DISPOSAL OF LARGE ITEMS & TIRES, E-WASTE, BRUSH, LEAVES, GRASS & CHRISTMAS TREES

**Automated Pickup:
It's How We Roll!**

NEW INFORMATION! PLEASE READ AND SAVE.

Curbside Trash and Recycling Pickup Guidelines

Trash will be picked up weekly. Please look at the map to see your day of collection and note Holiday schedules may change the pick-up day.

Trash and Recycling Guidelines:

Residents utilizing Town garbage services are required to use the carts provided to you by the Town for trash collection and recycling. These will be the **ONLY** containers that are picked up. If you have trash that does not fit into your cart, see "Additional Trash" below. If you move, the carts remain with the residence. Carts are warranted by the manufacturer. If you lose a wheel, the lid comes off, or other "normal" repair, the cart will be repaired or exchanged by Hilltopper. There is no cost to the resident for these types of repairs. If you are negligent and the carts are damaged you will be responsible for the replacement costs.

DO NOT mark or spray paint your carts! A luggage tag or zip tie may be placed on the cart to mark your address if desired. If you move, carts are to be left at the residence for the new owner. Carts are Town property.

Recycling: Collection takes place every other week on the same day of the week as your refuse collection. Please note trash and recyclables are picked up by separate trucks and may be several hours between pick-ups.

Placement of Carts: Place carts at least 3 feet away from obstacles including but not limited to: other carts, mailboxes, power poles, etc. Place carts within 2 feet of surfaced edge of the road, but not on the road (even in winter) with the wheels facing away from the road. **Carts MUST be set out by 5 am on collection day or the night before.**

If your garbage or recycling is not picked up, please contact Hilltopper Refuse & Recycling at 783-6727.

Unacceptable Trash: Do not put grass, leaves, brush, recyclables, electronics, computer components, demolition, roofing, bath tubs, shower enclosures, windows, sheet rock, brick, concrete, asphalt, kitchen cabinets, construction or commercial materials in the carts.

**This also includes hazardous materials such as: paint, cleaners, solvents, gasoline, oil, or other toxic, corrosive, explosive, or highly combustible materials. Refer to the La Crosse County Hazardous info on pages 1 and 4 of this brochure.

Additional Trash:

If you have additional trash you may save it for the next weekly pickup or make other arrangements for disposal. Options for additional trash include:

1. Purchase tags from the Town or Hilltopper to place on extra bags weighing no more than 50 lbs. Cost for the tags is \$15 for 5 tags. Each additional bag must have its own tag. This option is best for the occasional overage following an event.
2. If you consistently have garbage overages you may rent an additional cart from Hilltopper. There is an annual fee for the additional cart. You will contract directly with Hilltopper for the additional cart.
3. Hauling it yourself to the La Crosse County Landfill, Hilltopper, or other contractor of your choice. Fees will be applied.

Large Item Dropoff (■ Yellow Box on calendar)

Large metal items, household items such as furniture, carpeting (up to 1 room), appliances, TVs, computers, and tires may be dropped off at the Shelby Annex parking lot on the Large Item collection days marked on the calendar opposite. **Charges to cover the cost of recycling large items that are banned from landfills will be posted at the site.**

Please note:

- Recycling of TVs, computers, monitors, and printers is required. The Town of Shelby is a state-certified e-waste collector. We charge a nominal fee to cover the cost of handling and recycling e-waste.
- If you want to dispose of material, including large items, e-waste, appliances and other recyclables, construction and demolition debris take a load to Hilltopper Refuse or La Crosse County Landfill. Your load will be weighed and you will be charged a nominal fee for disposal of the materials.

Large item dropoff is for items too large for regular curb service and is not intended for large quantities of smaller debris. **25% of the materials brought to the Large Item Drop Off should have been disposed of with the regular weekly curbside collection.**

If items fit in the trash cart or can be broken down to fit, they should be placed in the cart, especially if they are burnable. Items that should be placed in the trash cart but are brought to Large Item Drop Off

will be turned away, because items placed in the dumpsters go to the La Crosse County Landfill where the Town is charged an additional disposal fee. You must use a commercial refuse/recycling service to dispose of construction and demolition debris.

Yard Waste, Leaves, and Grass Clippings

Leaves, grass clippings, garden and flower bed debris may be placed in the concrete bunker in the Shelby Annex parking lot at 2801 Ward Avenue **from April through November, 2022.** (Note: When purchasing a new lawn mower, consider a mulching mower and leave grass clippings on the lawn.)

Brush & Campfire Burn Permits

You must obtain a **permit to burn brush or for campfires** outside of a campground. **FREE** permit applications are available online at www.townofshelby.com on the fire department page or at the Town Hall. Burning **garbage or leaves** is **illegal** and hazardous to the environment. Violators will be issued a citation. Brush permits are for one time use. Fire ring permits are valid anytime, once you have an approved fire ring permit you do not have to re-apply each year as long as the owner, the address, and location of pit stay the same. If the smoke from your fire is bothering your neighbors and is reported, the Fire Dept. will have you extinguish the fire.

Brush Chipping/Curbside Only (on calendar)

This is a **FREE** service for Shelby residents; however it is not for whole tree or stump removal, clearing wooded areas around your home, or clearing a building site. Please call a tree service.

Call/Email to get on the list: To have your brush picked up, call the Town Hall at 608-788-1032 or email the Town at info@townofshelby.com by 4:00 p.m. on Tuesday the week of brush pickup. Any requests received after 4:00 p.m. the Tuesday before brush pickup will be added to the next scheduled pickup. Place your brush pile out before 6:00 a.m. on Wednesday. If it is not out when the crew comes by, they will not make a second trip.

Location and Size: The pile must be neatly stacked on **YOUR FRONT LAWN** with cut ends toward the street. Piles may be 4 feet tall by 4 feet wide by 8 feet long (4' x 4' x 8'), with individual branches no larger than 8 inches in diameter. Leave the full length if you can carry them. Do **NOT** bundle with twine or string. Non-compliant piles will **NOT** be picked up. Piles not placed on your front lawn are to be considered **NON-COMPLIANT**.

Preparation: Be sure branches are free of metal, wire, rope, tinsel, plastic, stones, or other debris that could damage the chipper.

Unacceptable Materials: Quantity of brush larger than shown above will **NOT** be picked up, you may call a Tree Service or take it to the La Crosse County Land Fill. **NO BRUSH** will be accepted at the Town Shop or Leaf bunker Site. **ONLY ONE PICK UP LOAD AT A TIME IS ACCEPTED.** The crew will **NOT** pick up portions of a large pile each pick up until it is fully cleared. If a pile is too large, we suggest you call a tree service.

Christmas Trees (on calendar)

Christmas trees with all decorations removed can be placed curbside and the Town crew will chip them up Wed. Jan 5th, Thurs. Jan 13th and Thurs. Jan. 20th. **Please place trees on TOP of the snow pile. The last day of pick up is Thursday, January 20, 2022.**

Safe Transportation of Hazardous Materials

1. Never mix chemicals.
2. Bring items in original containers or clearly mark contents. Tell facility technician if you are unsure what is in a container.
3. Tighten all covers and lids.
4. If a container is leaking, pack it separately in a leak-proof pail or tub.
5. Avoid spills. Place waste containers upright and place securely in the trunk or back of a truck or van. Do not transport waste containers in vehicle passenger areas.
6. Gasoline should be transported in a designated red safety container.
7. Motor oil should be transported in a durable and leak-proof container labeled with the words "Used Oil."
8. Tape the terminal ends of batteries with clear tape to prevent arcing. Do not co-mingle batteries with chemicals.
9. Transport fluorescent bulbs securely to avoid breakage. Do not tape bulbs together.
10. Upon arrival, pull under the HHM canopy and remain in your vehicle with the engine shut off.

Sharps & Needles

- Needles, syringes, auto-injectors (EpiPens) and lancets must be transported in sealed, puncture-resistant containers.
- Container options include a standard red sharps container or a thick plastic laundry detergent bottle with screw on cap. All containers must be labeled with the word **"SHARPS."**
- Additional sharps collection sites can be found on the Alliance to HEAL website.

Use By Businesses & Organizations

The La Crosse County HHM Program is available to assist small businesses and organizations with their hazardous material disposal needs. We also offer complimentary audits to help with identifying these waste streams. For more information, call us at (608) 785-9999 or visit our website to download a VSQG qualification packet.
